Carnival Spirit Reigns Thursday

Sparkling programs of entertainment were served in generous portions for residents at South Bay and Belle Glade as afternoon and evening programs were held to celebrate All Hallows Eve.

Both cities featured Halloween carnivals with costume ideas and special prizes awarded for various divisions and categories. Basically, the younger set was featured in the parades; however, young and old apparently enjoyed themselves during the carnival activity.

All the fun and gaiety obviously frightened away all the spooky, goblins and various nefarious characters which supposedly permeate the ether at Halloween time.

Several hundred children participated in the Halloween Carnival parade on Memorial Field ranging from tots on up to teenagers in the Halloween costumes you could imagine. \$7.99 dollars and blue ribbons were awarded to the best costumes in each group as follows: 1, 2, 3 year olds — Debbie and Sandra Sellers; Pre-school —

Michelle Gorman, 1st grade — Cecilia Wood; 2nd grade — Jimmy Seal; 3rd grade — Wayne Corbin; 4th grade — Patricia Williams; 5th grade — Chappie Young; 6th grade — Billy Grubb; Junior High — George Burch and Fosteen Tucker; Band — Jim Pope.

Ribbons were presented to winner for 2nd, 3rd and honorable mention.

South Bay
There were costumes of every description in the South Bay Carnival parade — highlighting the evening's gay activities.

Silver dollars were awarded to the winners in the four age groups — Pre-school — Prettie, Janine Marie Smith; 1st grade — Marjorie Williams; 2nd grade —

Over 175 Attend Cub Pack Meeting

Approximately 175, including parents and Cub Scouts, attended the Cub Scout pack meeting at Jameson Hall last Thursday night. The pack under the new Scout Master, Jack Hollingsworth, has been reorganized.

Since the reorganization nine dens have been formed in Belle Glade including Dens from South Bay. Hollingsworth highly commended the Den Mothers for their interest shown and the way they are doing a great much credit going to Mrs. Hollingsworth.

Three Youth Charged For Destroying Property During Football Game

A Stuart youth appeared in Belle Glade municipal court Monday night to answer to charges of destroying private property during the Stuart-Belle Glade football game Friday night.

A motion was accepted to postpone the trial until after Nov. 4 when two 16-year-old youths appear in juvenile court, West Palm Beach on a similar charge.

Police here said 17-year-old Curtis Rogers and the two younger boys were caught putting a car into the trunk of a car after they had broken off the aerials from cars parked near the football field. The younger boys were also charged with being intoxicated.

The Belle Glade juvenile officer remarked that one of the juveniles was already on probation for a similar offense at Stuart. Police and other persons here collected nearly a dozen broken aerials from the parking areas.

JOB and WORKER

J. W. Mosley, Jr., Representative Florida State Employment Service

It's Here... It has been said that the wheels of the God grind slowly, but very surely. The time that we have been waiting for has come our way. This season is here. Along with it came the trucks and the buses loaded with workers that ride up and down our highways day and night.

Most of these trucks are used to haul goods and materials. They are in need of repair, and all truck and bus drivers should be cautioned to take care of the hazards encountered in transporting heavy loads of goods.

This is especially true of open trucks. They should be in excellent condition, with either a tail gate that is securely fastened or with good strong ropes across the rear of truck bodies. All lights should be checked regularly and tires and brakes should be kept in excellent repair. Any one hauling workers must remember always that just one careless driver, or one small mistake may mean death. The life that is lost may be your own.

Bean Harvest... Our day has been a busy one in full swing. Crews are being brought in from surrounding towns in increasing numbers. Growers needing bean pickers are urged to let us know their needs as early as possible; preferably by 2:30 p. m. the day before the workers are needed. Our job discussions on problems of city management.

Manager Returns To City

Near Capacity Crowd Sees Belle Glade High School Homecoming Game

Highly decorated floats, marching bands and strolling gowns of the homecoming celebration helped brighten the spirits of a near-capacity crowd at the Stuart-Belle Glade football game Friday night in spite of the Rams' loss to the visitors.

Six exhibit floats and three shiny convertibles paraded around Memorial Field carrying the homecoming queen and her court. The winning float, entered by the sophomore class depicted a large animal being served on a platter and we presume it to be (Stuart) tiger meat.

In second place was the senior entry of a stream roller moving down an unidentified Stuart player. The junior float placed third with its megaphone theme with cheerleaders surrounding a six-foot megaphone. "Six Kipper" football captains from the Belle Glade-Pahokee game were present and were introduced by halftime master of ceremonies, Jerry McKee.

Rail Movement Slower Than Last Year; Corn Expected In Volume

Only 31 freight cars of vegetables have been handled so far this year by Florida East Coast Railway, according to Commercial Agent R. E. Hotard, who said this year's total was 14 cars light compared to the same period last year.

Corn made the difference last year, Hotard explained, but he went on to say that next week's corn volume should not make up the difference. Growing conditions have caused a lag in the corn harvest since some of the fields on the extent of work to be done at South Bay in connection with the four-laning of SR 25-80.

The Canal Point Commissioner had been asked by several South Bay citizens to seek clarification of the letter to the council for their information.

Middleton's letter, in confirmation of a telephone conversation earlier this month, stated that Middleton had talked with the district engineer at Fort Lauderdale and was advised as follows:

The work contemplated for the immediate future includes only the SR 25-80 intersection plus a short distance along each highway. Ultimately when the highways are four-laned, there will be a center island and left turning lanes, the same as is shown on the plan.

The center island will be 16 feet wide with crossings at all public streets. The intersection now to be built will be designed so as to properly fit in with the type of divided highway above.

Commissioner Rardin pointed out to The Herald that the \$20,000 project for the intersection was the only part included in the budget this year and that they hoped to four-lane the entire length of the highways through the city in the future.

Intersection Is South Bay Topic

South Bay councilmen completed the appointments of their department supervisors at the Monday meeting after the matter had been tabled from the previous meeting.

L. P. Roberts and Ben Austin will continue in their positions as building inspector and water superintendent respectively. The council also asked a letter from County Engineer Stephen Middleton which has been sent to Paul Rardin after the latter asked for a clarification on the extent of work to be done at South Bay in connection with the four-laning of SR 25-80.

Everglades Mutual Concert Membership Drive Set Next Week

Final plans and preparations for the coming drive for members in the Everglades Mutual Concert Association were made at a meeting in Clewiston Tuesday night. The membership campaign gets under way with a dessert meeting at the Clewiston Inn this coming Monday night at eight o'clock. All officers, directors, and workers are requested to be present at that time.

Three outstanding attractions have been chosen by the committee again this season. Tentatively engaged, pending the final outcome of the drive, is a program by The Village Players, the musical comedy, "Rosalinda," and an entertainment by the popular harpist Robert Maxwell and His Rhythm Players. The Village Players, a company of three young actors from New York will present a program of scenes from plays, a complete one act farce-comedy, and dramatic adaptations from short stories by O. Henry. The whole evening is cleverly narrated and unified with a central theme of "men and women."

The ever popular Johann Strauss musical, "The Bat" will be presented on the series by a group of ten singers and actors from New York in its Broad-

way version as "Rosalinda." Three acts of hilarity in acting and singing complete with stage settings, lights and costumes will afford the audience one of the most delightful evening in the theatre away from New York itself.

Featured attraction of the series will be the sensational young pop harpist, Robert Maxwell and His Rhythm Players. Maxwell is the composer of such hits as "Ebb Tide" and "Shangri-La." Many folks are familiar with the music of this combo through his nine long-playing records as well as his numerous appearances on television.

Last year's members will be given the first opportunity to rejoin. Seating capacity at the Sugarland Auditorium will limit the number of members available. No single admissions will be sold at the time of the concerts themselves, but membership cards are transferable.

Lytal Heads Polio Fund Drive Again

The man who last year successfully organized the county-wide "Teens Against Polio" for the annual March of Dimes will serve as the 1957 chairman for the county fund drive.

He is County Commissioner Lake Lytal, long time civic leader and community service volunteer.

Lytal's acceptance of the January March of Dimes chair-

LAKE LYTAL

manship was announced by George Hulme, Lake Worth, chairman of the Palm Beach County Chapter of the National Foundation for Infantile Paralysis.

The new chairman said he will immediately launch advance work on the drive and will begin to set up a county-wide fund raising group to handle the campaign.

"Despite the fact that we now have the Salk program," Lytal said, "there still remains an urgent need to raise funds to combat polio. Palm Beach County's polio organization is still taking care of many victims of the disease — victims who were stricken before we had the Salk program and who still need specialized care and treatment."

The fund campaign will follow and go beyond any work with special emphasis on the annual March of Dimes against polio, Lytal said.

The new chairman, in addition to serving the March of Dimes group in the past, has long been associated with city, county and state tuberculosis and health groups; state and county youth and dependent children's organizations, Little League and Pony League baseball and an active part in the Kiwanis Club youth program.

Chief Attends Academy

Belle Glade Police Chief Charles Goodlett will leave today for Washington, D. C. to attend a one-week retraining course at the F. B. I. National Academy where he will study newly-developed techniques in law enforcement.

The chief's family will also make the trip. During his absence, Lt. V. R. Clark will become acting chief, Goodlett said.

JOB AND WORKER

(Continued from Page One)
here at the Florida State Employment Service is twofold; we try to assist workers in obtaining needed workers and we try to assist workers in finding jobs. The continued cooperation of everyone is vital if we are to provide this service to the satisfaction of all concerned.
Job Openings - We have several very good job openings listed here in the office as of this writing. We are in need of qualified people to fill them. Basic requirements for these jobs are that you are between 21 and 50 years of age, a resident of Florida for the past two years, and have either three years of military service or two years of police work experience.

If you meet these requirements, come into the office at 41 S. E. Ave. D and we will arrange an interview for you with the employer.

Rainbow Officers Study For Tests

Glades Women Complete Girl Scout Basic Training Course

Photo By Allen
COMPLETING THE BASIC TRAINING COURSE for Girl Scout leaders, assistant leaders and other adult volunteer workers in both Broward and Intermediate program levels were the following: Seated (l-r) Mrs. Robert Allen, Jr., neighborhood chairman; Mrs. Mina Holden, district director; Mrs. Ernest Heiser, Mrs. Ethel Barwick, Pahokee, Mrs. Doris Lane, Pahokee, Mrs. Ben McGee, Chosen, Mrs. J. N. Paff, Mrs. Margaret Wilkinson, Pahokee, Standing (l-r) Mrs. Donna Plummer, Pahokee, Mrs. Warren Baile, Mrs. Emil Wolf, Mrs. Robert Fleish, Jr., Mrs. Peter LaChance, Miss Jane Towater, Executive director, Mrs. Lela Motes, Mrs. Floyd Wilder, South Bay, Mrs. Joe Tom Boynton, Pahokee, Mrs. Frank Hobson, Mrs. Elmer Scurlow, Mrs. Christine Howell, Clewiston.

The training course was completed with a cookout at Belle Glade Municipal Park last Tuesday night. The group operated in patrols and therefore learned by doing the operation of troop government. Divided into two groups, one did food cooking and the other cooked a pot meal. Dr. Robert Allen, Jr., vice president of the Council and Mrs. Allen, neighborhood chairman were guests.

The basic training course held here was one of four given this fall in the Palm Glade Girl Scout Council with about 135 new volunteer workers trained for their jobs, and is one of the important services which membership in the Council provides. Enrolled in the Belle Glade course were women from Belle Glade, Pahokee, South Bay and Clewiston. The course was taught under the direction of Miss Jane Towater, executive director and Mrs. Mina Holden, district director of the Council. Other training courses for special purposes have been scheduled for the next several months.

This course which is required of all leaders and assistant leaders during their first year of working with troops is planned to give them a good working knowledge of the Girl Scout program and includes instruction in troop government, songs, game program planning and execution, keeping records safely and measures and many others.

To receive credit for the course a minimum of 13½ hours attendance is required with an opportunity provided to make up the missed session through reading material.

Those present at the general council meeting conducted Monday evening at the First Methodist Church in West Palm Beach were introduced by Miss Towater and welcomed into the council and were presented with Girl Scout pins at that time.

Those present at the fall council meeting from Belle Glade were Mrs. F. O. Hobson, neighborhood troop organizer, Mrs. Elmer Scurlow, Mrs. Peter LaChance, Mrs. Emil Wolf, Mrs. Ben McGee, Mrs. R. J. Allen, and Dr. Allen. He presided at the meeting in the absence of Mrs. James P. Keith, president, who is recovering from injuries received in an automobile accident. Mrs. Ralph Johnson, Pahokee neighborhood chairman also attended. The main business carried on was the examination of the budget and plan of work for the coming year.

Gail Allison Initiated Into Phi Mu Fraternity

Word has been received from the University of Florida that Miss Gail Allison daughter of Dr. and Mrs. R. V. Allison, 650 S. E. Ave. F, has been initiated into Phi Mu Fraternity.

Miss Allison, a senior at the university, is group majoring in Sociology, Sociology and Family Life.

Second Graders Write Letter En Masse To Fire Chief L. E. Will

On Oct. 12 two shiny Belle Glade Fire Department trucks were on display at the Belle Glade Elementary School where Mrs. Herman Ciose's second graders heard two firemen explain the workings of the two units.

Reports were that the youngsters were thrilled and entertained as well as informed during the afternoon. The fire chief L. E. Will received an assortment of letters from the second graders thanking the department for the fire show. Each letter contained about the same message: "Dear Firemen, We thank you very much for bringing the fire trucks to our school. We learned a lot. We will be careful."

Along with the letters, at the top of each, was a crayon drawing depicting some facet of the fireman's task. The fire chief was highly amused and proud to receive the letters. He said one picture showed a burning house with lots of smoke and a girl peering from each window.

Another showed a blazing building with three firemen standing rigidly at attention. Others pictured hoses, hydrants, trucks, wobbly ladders and usually something burning. The chief said he figured they'd learned the lesson well.

Your Library
"The Books that help you most are those which make you think the most. The hardest way of learning is that of easy reading; but a great book that comes from a great thinker is a ship of thought, deep freighted with truth and beauty." — Theodore Parker.
Would you like to stay at home and be able to visit Spain, Germany, France, Italy and Yugoslavia? If so, Betty Harris, our librarian, says books on these countries are available at your library and each book

is filled with beautiful illustrations. By Love Possessed is a book which critics call the author's masterpiece and is for mature readers. James Gould Cozzens is the author. Last week the girls started working on their nutrition and cooking badges. Mrs. Jane Reynolds of the Florida Power and Light Co. instructed the group and furnished the foods used.

They were taught how to make hot chocolate and took tests on nutrition. Booklets were given out on "know your electric range." This week the girls made spiced apple juice and were told the seven basic foods. The course will continue each Monday afternoon at the Girl Scouts Hut for six more weeks.

Civilians Hear Southern Bell Representative Here

The Belle Glade Civilian met Oct. 24 at the Belle Glade Coffee Shop where Bill Avedon, special representative of Southern Bell Telephone and Telegraph in this area, was principal speaker.

Avedon gave an informative talk on the various divisions of the Southern Bell system, explaining the coordination and functioning of each unit. He cited the tremendous growth of the Glades as witnessed by the increasing requests for telephone service.

Forecasters for the company expect the Glades growth to continue at a steady pace, he said, and they are basing future company expansion plans on this prediction.

How many tomatoes can a vine hold? ... use DITHANE M-22

After using DITHANE M-22 (march) for disease control, a lot of growers remark how the vines look so crowded with big, choice tomatoes. No one has yet counted the exact number per acre, but experiment stations have measured up to 15% higher yield with DITHANE M-22 than with other types of fungicides. DITHANE M-22 results in maximum yields because it gives maximum protection from late blight, gray leaf spot, early blight, and Septoria leaf spot. With this manganese-containing fungicide, vines also develop a greener and more luxuriant foliage. Use DITHANE M-22 and see.

RHOthane FOR INSECTS

For better tomato insect control, use RHOthane with DITHANE. RHOthane checks fruitworms, hornworms, pinworms, and pyralids.

60-Piece Marching Band Highlights Lake Shore High Homecoming Week

The 60-piece "Marching Bobcats" of Lake Shore High School will stage two major performances on Homecoming Day, Nov. 7. The first will be a part of the homecoming parade which will feature cars and floats sponsored by the classes, clubs and various organizations of the school.

The second performance, of course, will be a highlight of the halftime ceremony when the Bobcats play the Fort Pierce Greyhounds.

On parade day, Thursday, Nov. 7, street demonstrations are planned. When the parade reaches a point midway between 3rd and 4th Sts. on Avenue A, the procession will stop while the band serenades the crowd with Van Aiken's "Mambo March" followed by an exhibition by head drum major, Willie James Glee, stunt major, Roosevelt Cooper and head majorette, Florida Belle Banks.

The band will also exhibit various marching patterns, and then they will complete the parade route.

The second performance at Memorial Field Thursday evening will dedicate two numbers to "Miss Lake Shore High." The announcement of this award has not yet been made.

The band, in exploiting their theme, will invite the crowd to travel along on the "Bobcats' Trip Around The World." A musical trip to the South will be taken to the strains of "St. Louis Blues."

As their journey reaches the North they'll play "Rock Around The Clock" to the West for "Dance With Me Henry," and to the East to the conclusion of the trip with "P. S. I Love You."

The majorettes will be outfitted in new uniforms designed by the band director, Mrs. Effie C. Grear. Majorettes will be under the direction of Mrs. Annie Pearl Spight.

It was not known at press time whether or not Lincoln Park Academy of Fort Pierce would bring their band for the festivities.

Clewiston Soldier Gets Advanced Army Training

Pvt. Isaac Scott, Jr., whose parents live on Route 2, Clewiston, Fla., is receiving advanced training with the 4th Armored Division at Fort Hood, Tex., in preparation for "Operation Gyroscopic," the Army's rotation plan.

The 4th is scheduled to move to Germany early in January to replace the 24 Armored Division.

The 18-year-old soldier is a 1957 graduate of Harlem Academy High School.

Bobcats Hold Back Dania Threat To Win Here 6-0 For First Win Of Season

Lake Shore High School, smarting from their first conference loss to Gifford and their losing defeat by Roosevelt High, West Palm Beach, road back with vengeance to down the Dania Eagles at Memorial Field last Thursday night.

Dania, after taking the opening kick for a short return, ran up against a sturdy Bobcat line and was forced to punt. On the Bobcat's first play, Quarterback Ira Wilson passed and Dania intercepted then went on to ground out the game's initial first down. On the next play Dania fumbled and the Bobcats recovered.

Eddie Coleman, Bobcat top offensive star, smashed through the Dania secondary and drew first blood for the Bobcats. The extra point try was blocked.

During the first half both teams fumbled twice and picked up one first down each. During the halftime the Marching Bobcats made their first appearance of the 1957 season.

Back on the gridiron the second half opened with Dania's right half Albert Bair thrashing the crowd with a brilliant broken field running exhibition and outstanding defensive play. His performance was matched only by the Cats' Ira Wilson. A kicking duel developed in the closing minutes of the game but no further scoring was made.

Lake Shore Band Had Small Start

When citizens of a community recognize a great need, it is usually the case that these interested persons go to work to bring a certain vision into reality.

A case in point would be the present Lake Shore High School Band.

With nearly 70 members now active in band instruction and participation this year and the ever-increasing needs of the band before the community, one might find it hard to believe that the band was anything but big.

There was a time when there was no band, and the story of how the Lake Shore Band came into being is, in itself, a salute to the far-sighted individuals who were responsible for its inception.

Early in 1943 a group of interested citizens visited the county school board to request that band instruction be included in the curriculum of Everglades Vocational High School at Okeechobee Center.

School Superintendent Howell Watkins told the group he needed further proof of the interest for a band. Boys from the scout troop and several interested girls formed the nucleus of a band. Through the efforts of the Men's Civic League and parents of the band members, instruments were obtained for the group of about 25.

Howard Payne made arrangements to give band instruction to the boys. Louis Hamilton, now social studies teacher at Lake Shore, became the first band director when the band was organized.

By the fall term of 1954 the band had grown to over 40 members.

The second band director was Eugene Woods. When he left the school last year, Mrs. Effie C. Grear was given the position of band director when she joined the faculty this year.

Two of the original E. V. H. bandmen went on to college and were given berths on the Florida A. & M. University band. They are Eugene Lincoln and Willie Pifford. One young lady, Mary Elizabeth Thompson, former band member, continued her interest in music as she attended Talladega College.

Even now the band parents and other interested groups are pooling their efforts to obtain more and better equipment for the band. It's quite an accomplishment.

Burns Fatal To Bryant Man, Louis Washington

Funeral services for Louis Washington, 44, of Bryant, were held Wednesday at Bryant Community Church following his death Saturday of burns received last Friday when his home burned.

An employee of the U. S. Sugar Corporation for the past 20 years, Washington died at Everglades Memorial Hospital. Authorities said his wife, Ethel, escaped from the flaming house. Two stepchildren also survive. Burial was at Port Mayaca.

The campus of Lake Shore High will be the scene of feverish activity and excitement starting Monday, Nov. 4 to the kickoff of the clash between the Bobcats and the Greyhounds of Fort Pierce at Memorial Field, Nov. 7.

Miss Homecoming will be elected by popular vote from the senior class. This fever will spread into town when the youngsters stage their homecoming parade.

The civic organizations, merchants and other organizations can make this day a big success for the school by putting a float in the parade.

I drifted over to the school Monday to have a talk with Coach Ben McCoy. It has suddenly dawned on me that I had been missing a bet by not finding out just how he felt. After all this was his first year as head coach.

Oddly enough, I found him supremely confident and willing to comment. He felt that he had two of the best backs in the state in Eddie Coleman, who has picked up a total of 250 yards rushing in the game, and Johnny Parker, who has picked up 195 yards rushing.

I saw a faint smile crease his countenance as he talked of his quarterback, Ira Wilson. Here was a youngster running the squad in his first year playing ball and a demon on defense. He's an excellent passer whose efforts have gone for naught because of poor receiving.

The coach said that was one of the factors that caused him to lose his first two games. He stated that his ends play was spotty on offense and very poor on defense with plenty of room for improvement.

He beamed again when he talked about his co-captains, Marion Sherard, Herman Lawrence and James Holmes who are all conference candidates.

He also praised the play of Melvin Lockett, Henry Lockett and Ervay Johnson. The coach feels good about the game with Fort Pierce.

I sincerely hope that the citizens of Belle Glade will respond and lend support to the homecoming activities. The youngsters and faculty have worked hard to make this an outstanding week at the school. Mack.
